## STRUCK IN LEG BY STRAY SHOT

Shooting Accident in Gettysburg Nearly Serious when Un-  
seen Gunner Sends Bullet in  
Direction of Jacob Stoner.

A stray bullet from a gun in the  
hands of some one who has not yet  
been located, struck Jacob Stoner, of  
near Knoxlyn, this afternoon while he  
was walking about the lot in the  
rear of the Batterman Repair Shops  
on York street. The wound is not  
serious.

Mr. Stoner had come to Gettysburg  
this afternoon to have some repair  
work done to his automobile. While  
the work was being done in the shops  
he was outside and suddenly felt a  
stinging pain in his left leg above  
the hip bone. He looked down and  
found blood flowing from an open  
wound. He then remembered having  
heard the report of a gun a moment  
before but does not know from what  
direction it came or anything more  
about it.

Mr. Stoner walked to the shop and  
was carried from there to the resi-  
dence of Daniel Shealer two doors  
away where he was given attention  
by a local physician. When Mr. Ston-  
er's clothing was removed a 44 cali-  
bre bullet, dropped out, having pass-  
ed entirely through the leg. The phy-  
sician in attendance found that it had  
struck through the fleshy part of the  
leg and had not hit the bone.

Barring any further developments  
the wound is not expected to give Mr.  
Stoner any trouble and he will be  
removed to his home in Highland  
township.

## COUNTY BOXING SHOW

One Knock-Out and Several Decisions  
at this Bout.

Herman Miller, the middleweight  
pugilist of York, shaded "Dummy"  
Ketchell at McSherrytown, Monday,  
before a crowd of 300 fistic fans. Ket-  
chell, who disputed Miller's claim for  
the past two years, did not appear to  
have anything on the Yorker who is  
not in the best of condition.

Miller fought viciously in the  
fourth, fifth and sixth rounds. Ket-  
chell on several occasions in these  
rounds claimed that Miller fouled  
him. Ketchell jumped out of the ring  
at the end of the sixth round and  
claimed that his contract only called  
for six sessions.

The semi-windup between "Kid"  
Herman, of Philadelphia, and "Buck"  
Taylor, of York, was one of the fast-  
est bouts ever fought in this section.  
A majority of the spectators are of  
the opinion that Herman should get  
a shade as his flashy footwork and in-  
fighting was far superior to that of  
the York boy. Taylor had the best of  
the final round.

Ralph Evans, of Stewartstown, and  
"Kid" Spangler, heavyweights, fought  
six rounds to a draw. In the opening  
bout Mike Harmon, of York, knocked  
out Johnny Green, of Baltimore, in  
the third round.

## SECURE CHAPEL

Week of Prayer.

At a meeting of the Gettysburg  
Ministerium on Monday it was re-  
ported that the effort to secure Brua  
Chapel for the week of prayer serv-  
ices beginning Monday evening, Janu-  
ary 3, had been successful. These

members were appointed to have  
charge of the various arrangements:

the various choir leaders of town;  
Publicity, Dr. R. S. Oyler; House,  
Rev. W. R. Glen; Printing, Rev. F. E.  
Taylor. It is hoped that the meetings  
will develop sufficient interest to war-  
rant their being carried over into a  
second week.

## BLUE MOUNTAIN HOUSE ASSURED

Three Hundred Thousand Dollar  
Structure, Finely Appointed,  
to be Erected on Site of Form-  
er Hotel.

Western Maryland Railroad offi-  
cials announce that plans are being  
rushed for the erection of a new  
hotel at Blue Mountain, Md., to cost  
\$300,000. It will contain not less than  
250 rooms, more than half of which  
will have private baths, and will oc-  
cupy the site of the old Blue Moun-  
tain House, which was destroyed by  
fire a few years ago.

It is understood that all the finan-  
cial details of the new hotel com-  
pany will be completed within a few  
days. It is said it will be fully under-  
written by the Equitable Trust Com-  
pany.

A prominent architect is working  
on plans, and the contract for the  
erection of the building will be let to  
a well known builder. Preliminary  
work on the foundation will be start-  
ed at an early date. It is expected  
the hotel will be ready for guests by  
May 15.

The hotel is to be modern and up-  
to-date in every particular. It will  
be of brick construction, trimmed  
with natural stone and as fireproof as  
possible.

A party of 30 Baltimoreans in a  
special car visited the site Sunday and  
discussed in an informal way the  
plans for the hotel. They were im-  
pressed by the many advantages of  
the location, the abundant supply of  
mountain spring water from Glen  
Afton springs, the excellent sanitary  
conditions, and the opportunity for  
establishing a fine golf course.

Those in the party included Mr. and  
Mrs. E. L. Norton, Mr. and Mrs. V.  
W. Cloud, Mr. and Mrs. Joseph Ces-  
telberg, Mr. and Mrs. E. H. Worthing-  
ton, Miss Fauntleroy Wight, Miss  
Alexander, Mrs. E. F. Dobson and R.  
W. Alexander, H. W. Misch, R. Tynes  
Smith, Jr.; John W. Walker, H. L.  
Pope, D. C. Mansfield, Charles Fisher,  
H. M. Campbell, Frank B. Dancy,  
Ernest Roberts, George G. Davis,  
Lawrence Jones and E. McClure Ro-  
bet.

## THROWN FROM MOTOR

Movie Actor, with Many Friends here,  
is Hurt.

Francis X. Bushman, Metro movie  
star; Beverly Bayne, leading woman  
of the same firm concern; her mother  
and two others narrowly escaped  
death or serious injury Monday in  
an auto accident, near Baltimore.  
Lewis Randall, the chauffeur, in try-  
ing to avoid collision with a milk  
wagon, turned suddenly to the right.  
The heavy machine swung over on  
two wheels and the occupants were  
thrown from their seats. Bushman  
was pitched from the machine and  
landed 20 feet from the car, at the  
foot of an embankment.

The accident occurred shortly be-  
fore 9 o'clock Monday morning, as  
the group of movie people were en-  
route to the station, where they were  
to take a train for New York. Bush-  
man had been entertaining at a house  
party at his beautiful home in Rider-  
wood. In his fall he received injuries  
which caused a wrench of his right  
leg. Miss Bayne fainted, but was  
quickly revived.

The party was picked up by a  
passing auto and taken to the sta-  
tion, where the train was met. Bush-  
man will be unable to work for about  
two weeks.

## HOUSE DESTROYED

Family Lose the Greater Part of their  
Personal Effects.

Fire, supposed to have been caused  
by a defective flue, completely de-  
stroyed the frame dwelling of Jo-  
seph Kemper, in Liberty township, on  
Monday morning about nine o'clock.  
Mr. Kemper was away from home at  
the time and Mrs. Kemper and the  
children got out the greater part of  
the furniture on the first floor but  
were unable to save their clothing or  
anything else from the second story.  
The loss is estimated at about \$600  
partly covered by insurance in the  
Adams County Mutual Company.

## GETTYSBURG MAN RHODES SCHOLAR

Local College Gets Much Covet-  
ed Distinction when Instruct-  
or in English is Selected for  
Foreign Study.

The Committee of Selection for the  
Rhodes Scholarship from Pennsylvan-  
ia, which met Saturday in Philadel-  
phia, announced the selection on Mon-  
day of Spurgeon M. Keeny, of Gettys-  
burg College, as its unanimous choice  
for Rhodes scholar to Oxford for 1916.  
Six candidates were examined by the  
committee.

Mr. Keeny was graduated from Get-  
tysburg College in 1914. He received  
general final highest honors and was  
class valedictorian. At present he is  
instructor in English at the college.  
He was a member of the Varsity ten-  
nis team while at college, and was  
active in basket ball.

The friends of Mr. Keeny, as well  
as every one interested in the welfare  
of the local college, will be highly  
gratified over the fact that the ap-  
pointment comes to Gettysburg. It is  
a unique distinction and one which  
speaks highly for the institution.

Mr. Keeny will receive \$1500 a year  
for three years' study and travel in  
England and other European coun-  
tries. The plan is to have the success-  
ful candidate spend three months in  
study, and three in travel, alternating  
in this way for the entire period. The  
State of Pennsylvania is allowed two  
men every three years.

It is understood Mr. Keeny will re-  
linquish his duties as instructor at  
college at the close of this year and  
will then take advantage of the ap-  
pointment.

## COMING COUNCIL NOW COMPLETED

Only Three of the Former Mem-  
bers will Appear in Body  
when it Organizes for the  
New Year.

When the town council on Monday  
evening elected Harry S. Trostle to  
fill the vacancy occasioned some  
months ago by the resignation of  
Althodore Bushman, they completed  
the list of nine who will compose the  
governing body of Gettysburg for  
the next two years. The new council  
as it will be constituted after Janu-  
ary first will be as follows:

First Ward: Dougherty, Geiselman,  
Funkhouser.

Second Ward: Gilbert, Winter,  
Swift.

Third Ward: Trostle, Tawney, Mc-  
Donnell.

As there was doubt about whether  
or not a present member of the coun-  
cil could be elected to fill a vacancy,  
Mr. Trostle, whose present term ex-  
pires this month, tendered his resigna-  
tion which was accepted, and his  
name was at once put into nomina-  
tion to fill the Bushman vacancy  
which includes service for two years.  
Mr. Baughman, whose term also ex-  
pires this month, then announced his  
candidacy to fill the Bushman vacan-  
cy.

There was the same doubt about  
his name being allowed to stand  
without his resignation. He showed  
no inclination to resign and council  
decided to allow his name to be placed  
in nomination. A vote was taken  
and resulted Trostle 3, Baughman 2.  
Mr. Trostle's election was then made  
unanimous.

Councilmen present at Monday ev-  
ening's meeting were Messrs. Dough-  
erty, Gilbert, Keith, Hartman, and  
Baughman.

## MID-WINTER MATERIAL

Waynesboro May Get the Baltimore  
and Ohio Railroad.

Whether speaking by the card or  
only as one enjoying a dream, the  
Hagerstown Globe sees the following  
vision of railroad extension to  
Waynesboro:

With the building of the Baltimore  
and Ohio branch to Security prac-  
tically assured, many persons see a  
probable step farther, and the ex-  
tension of this road to Waynesboro,  
and some of the more optimistic ones  
say on to Harrisburg. There is a re-  
port that the Baltimore and Ohio has  
considered getting into Harrisburg,  
and it is known that business inter-  
ests of Waynesboro have long desired  
Baltimore and Ohio connections.

The extension of the line to Way-  
nesboro is considered more than like-  
ly to be a probability in years to  
come. The grade, it is stated, from  
Security to Waynesboro would not  
be heavy, following the Marsh stream  
and the distance would not be great.

There are others who state that an  
electric road over this route would  
also be a good revenue producer, as  
well as opening up a section of the  
country which now cannot be said to  
have any too good railroad facilities.  
The section of the country through  
which this road would pass is thickly  
populated and has in it some of the  
finest farm land of the county from  
a producing standpoint. The route  
is also the nearest one to Waynes-  
boro, being almost a direct line.

## JOHN D. CALDWELL

noon. He was aged 74 years and 3  
months. He leaves his wife and seven  
children.

Funeral on Wednesday morning in

## THIS COUNTY IN DISTRICT NO. 4

Insurance Regulations and  
Rates Announced and in  
Force. Employees Taking Keen  
Interest in the Provisions.

Underwriting of compensation in-  
surance, covering the liability of em-  
ployers subject to the workmen's com-  
pensation act of 1915, which began in  
all sections of the state Monday, is  
being regarded with much interest  
by employers in Gettysburg and the  
various parts of the county. The  
state-wide activity in liability insur-  
ance follows the announcement by  
the state workmen's insurance board  
of rates as approved by the insurance  
department.

To simplify the work of supervising  
the payment of compensation, the  
state has been divided into eight com-  
pensation districts. Each district con-  
tains one or more offices where com-  
pensation business may be attended  
to at any time. With Adams, compris-  
ing district No. 4, are York, Lancas-  
ter, Lebanon, Dauphin, Perry, and  
Cumberland counties. The district  
has a total population of 671,860.

With the workmen's compensation  
act going into effect January 1, ap-  
proximately 200,000 employees in  
Pennsylvania must, before that date,  
protect their employees by compensa-  
tion insurance.

The approved rates which must be  
observed by the authorized stock and  
mutual insurance companies are based  
on each \$100 of annual pay roll, and  
must be applied only for coverage of  
compensation liability. The state in-  
surance fund is allowed a ten per  
cent reduction under the rates as ap-  
proved for stock companies.

The manual containing the approv-  
ed rates is the first to be issued in  
this state, and contains a number of  
rulings regulating the writing of com-  
pensation insurance.

Industrial plants which install safe-  
guards to protect their employees from  
injury will be given scheduled inspec-  
tions by inspectors from the depart-  
ment of labor and industry and the  
central rating bureau, to determine  
percentages of reduction from the ap-  
proved rates, in recognition of the pre-  
cautions that have been adopted with-  
in such plants.

Principal operation of a plant is the  
governing classification of its risk.  
Sub-division will not be permitted, un-  
less separate and distinct enterprises  
are conducted by the same employer,  
without interchange of labor.

Exceptions are made for executive  
officers, clerical and office employees,  
salesmen, collectors, and messengers,  
draftsmen, drivers and drivers' help-  
ers, chauffeurs and chauffeurs' help-  
ers, blasting, stamping operations, railroad  
hazard and extraordinary alterations  
and repairs.

The minimum premiums that will  
be charged by stock and mutual com-  
panies is \$10, except on contractors' risks  
for which it is \$20. Blasting op-  
erations require an additional mini-  
mum of \$25. The minimum premium  
for a compensation policy on a private  
residence or farm is \$6.

## ALLIES SWEEPED OUT OF MACEDONIA

No Free English or French in  
Country, Says Berlin.

BRITISH LOSS IS 24,000

Last of Serbian Troops Have Retreat-  
ed into Albania—Bulgars Nearing  
Greek Border.

Berlin, Dec. 14.—The French and British have been entirely expelled from Macedonian territory. It is officially announced by army headquarters, the advancing Bulgarian army under General Todoroff, occupying Bolran and Gievgeli.

It is declared that approximately two British divisions (24,000 men), were wiped out during the advance. "No Englishman or Frenchman is now at liberty on Macedonian soil," says the war office report.

The last of the Serbian regulars retreated from southwestern Serbia into Albania after the fall of Monastir. They were pursued through Struga and Ochrida by Bulgarian forces.

A quarter of a million Bulgarian and German soldiers are pounding away at the Anglo-French lines on the Greek frontier.

The battle is raging in a mountain snowstorm and heavy losses are being sustained on both sides. A Salonika despatch to the Times says that the Bulgarians lost 8000 men in two attacks against the British position north of lake Roilan.

The Greek political situation is normal again. The crisis between the entente powers and Greece has been settled by the understanding that the allies will be given every facility for freedom of military movement in Macedonia.

The allies modified their original demands for the withdrawal of all Greek troops from Salonika, but only a small number of Hellenic soldiers will remain at the allies' base.

The allied troops are falling back across the Greek boundary with an unbroken front. The Bulgarians, slowly following, are reported to be within five miles of the frontier.

The retreat of the expeditionary forces, it is reported, was being covered by artillery forces and machine gun contingents stationed only a few miles across the Greek border.

### Greece Won't Hamper Allies

Salonika, Dec. 14.—A satisfactory agreement was reached by the Anglo-French and Greek military authorities. It calls for the free movement of the expeditionary forces between Salonika and the Greek frontier, the zone through which the allies are retreating.

A Greek division concentrated at Langaza, a few miles northeast of Salonika, will be transferred at once to Seres, thirty-five miles northeast of Salonika and less than thirty miles from the Bulgarian frontier.

As part of the agreement the Anglo-French forces took over the Salonika customs house.

The negotiations were conducted by General Sarrail, commander of the expeditionary forces, and two military representatives of the Greek government.

## WIFE'S MOTHER SLAIN IN CHAIR

Man Shoots Woman While  
Family Attends Church.

Bethlehem, Pa., Dec. 14.—Milton Crout, a machinist in the employ of the Bethlehem Foundry & Machine company, shot and killed his mother-in-law, Mrs. Reuben Jacoby, seventy-five years old, at his home in North Bethlehem.

The only excuse Crout made was that the woman had been interfering with his business.

She was shot in the head from behind, the bullet entering the skull near the base and becoming imbedded in the neck. Apparently Mrs. Jacoby was dozing in her favorite rocking chair when she was killed.

There was no one in the house at the time, Mrs. Crout and her children having gone to church. When they returned, Mrs. Crout noticed her mother seated in the rocking chair as if asleep. On the couch nearby Crout was resting.

"Granny, are you sleeping?" was Mrs. Crout's greeting as she entered the room.

"No, I shot her," brusquely replied Crout, as he rose from the couch.

Screaming, Mrs. Crout dashed from the house and aroused the neighborhood. Crout was arrested and placed in jail.

Crout had been drinking, it is said, but Chief Halteman believes he was not sufficiently intoxicated to be irresponsible. Four years ago Crout had a bad attack of brain fever, and since then had been drinking more or less, and at times made threats to kill his family and even the neighbors.

## AUSTRIAN SEES MR. LANSING

Foresees Compliance if Al-  
legations Are True.

ANSWER IN A WEEK

Refusal to Meet American Demands  
on Sinking of Ancona in That Time  
Means Break.

Washington, Dec. 14.—Baron Brich Zweidnek, charge of the Austro-Hungarian embassy, informally discussed with Secretary Lansing the American note regarding the sinking of the Italian steamship Ancona, which makes formal demands upon his government for a disavowal, punishment of the submarine commander and reparation for the Americans who lost their lives in the disaster.

It was believed the charge desired information regarding the attitude and wishes of the United States government.

Secretary Lansing would not discuss the conference further than to say the general subject had to do with the Ancona incident. Baron Zweidnek was equally reticent.

The note, it was said earlier, clearly indicates a break in the diplomatic relations between the two countries will follow the failure of the Austro-Hungarian government to redress the acts of the submarine commander, which are declared to be illegal and indefensible. A week at most probably will be given Austria-Hungary to accede to the American demands.

It became known that Baron Zweidnek, who requested the appointment with Secretary Lansing, had no instructions of any kind from the Vienna foreign office and that he acted entirely upon his own initiative.

In official and diplomatic circles it was believed the charge was following the example set by Count von Bernstorff during the days when the Lusitania controversy was in a critical stage. Zweidnek was said to have attempted to obtain an indication of what action would be taken by the United States should Austria-Hungary decline to accede to the views of the United States or in the event of the reply being satisfactory.

Zweidnek was also represented as being of the opinion, and to have told Secretary Lansing, that if the facts in the case were as the United States had cited them in the note, the Austro-Hungarian government would without doubt accede to the demands. He was said to have no indication of what facts in addition to those published by the Austro-Hungarian admiralty had been gathered by his government. Neither was he said to have had any indication of when a reply would be made to the note, or of what would be its contents. The reply will come through Ambassador Penfield, at Vienna, the note itself having been transmitted through that channel.

It was understood that Zweidnek also asked Secretary Lansing what he could do to alleviate the tenseness of the situation. Information was not available as to what reply, if any, Secretary Lansing had made to the inquiries.

### NEW YORK EXPORTS LEAP

Figures for First Week of Month Show They More Than Tripled.

New York, Dec. 14.—Fast motor-boats, valued at \$18,000, and intended for use by the British navy in chasing submarines, were shipped from this port in the week ending December 4, according to statistics made public by the foreign trade department of the National City bank.

This is said to be one of the largest shipments of American motor-boats made since the beginning of the war.

Exports from this port during the first week of this month totalled \$63,713,174, in contrast to \$20,961,744 for the same period in 1914. Manufactured products constituted about fifty-six per cent. of the great total, and explosives, shells and cartridges formed the largest single class of shipments.

Great Britain took about a third of the week's exports, France was second, while Russia, The Netherlands, Italy and Norway followed in order.

## BLAME SPY FOR STEEL PLANT FIRES

Alleged Author of Blazes Cap-  
tured at Sea.

New York, Dec. 14.—That a German officer, who, it is believed, was responsible for many of the mysterious fires and explosions in munitions plants and who is alleged to have taken part in a conspiracy to destroy the Bethlehem Steel plant, has been captured on the high seas off the coast of Brazil by a British cruiser, has been learned.

The prisoner was taken while in flight to South America and is now held a British prisoner. Every precaution is being taken to keep the name of the man secret. It is known, however, that he left the United States with a regular passport on the steamer of the Lamport & Holt line, which left New York three days after the \$1,000,000 fire in the machine shop of the Bethlehem Steel corporation.

The Vauban sailed from this port in November 13. Since the ship left, detectives and agents of the department of justice traced a man from Bethlehem to Philadelphia, where he took a passage on the Vauban at the office of Thomas Cook & Son.

Under a forged or stolen passport he appeared from this country.

### ROB STORE IN DAYLIGHT

One of Thieves is Captured and Pur-  
suer is Wounded.

Pittsburgh, Dec. 14.—Two men, one armed, entered the grocery of Loui-Rosen, at East Pittsburgh, and after ordering William Steen, a clerk, to hold up his hands, robbed the cash register of \$150. The men then ran into the street with Steen in pursuit.

Steen was joined by other residents, and as they rushed on the robbers, one of the men began firing. Jay Magley was shot in the leg, but he and others continued the pursuit and overhauled the robbers in the Carnegie steel mill at Bessemer. One succeeded in breaking through and making his escape.

A man stepped from an alley and fired at him five times, all of the bullets taking effect. The assailant later was captured.

## Warms the Bedroom in a Jiffy

It's no fun to crawl out of your warm bed and have to dress in a cold room while your teeth chatter and chills run up and down your spine. You stand a mighty good chance of catching a cold or the grippe—yes, even pneumonia. And it's not at all necessary.

Get a Perfection Oil Heater and in a few minutes your bedroom will be as warm as toast and make dressing a pleasure instead of a misery. And if there's an infant in the house, night after night you'll bless the convenience of a

## PERFECTION Smokeless Oil Heater

Why, it'll warm baby's milk in a jiffy and save you many a cold midnight trip to the kitchen. It's economical, too. You don't have to keep piling the coal in the furnace simply to keep one room warm.

The Perfection burns kerosene, the most economical fuel you can buy. It will not smoke, soot or create unpleasant odors. There are no ashes to bother with. Can be safely carried from room to room when lighted. The best results are obtained by using Atlantic Rayolight Oil.

Perfection Oil Heaters are sold by dealers everywhere for \$2.75 to \$5.00.

When the alarm clock starts to weaken—when it begins to gurgle rather than ring—give it a bath of ATLANTIC RAYOLIGHT OIL and it'll usually take a new lease on life. Over at your house how is kerosene used? Begin to think about it seriously and read these ads to learn why.

### Milk and Kerosene

Just as some milks are richer, creamier and more wholesome than others, so also kerosenes differ in their desirable qualities.

### ATLANTIC Rayolight

is to ordinary kerosene what the rich milk of the Jersey cow is to ordinary milk. Atlantic Rayolight Oil burns without smoke, soot or smell, but at the same time costs no more than ordinary kerosene.

Does Christmas Make You Tired?

Queer question? Not at all!

It does make you tired if you wait until the last week, day, hour, to do your shopping.

The best way to avoid that tired feeling is to

SHOP EARLY!

Of course, you'll shop early anyway, if you give a second's thought to the overworked clerks and deliverymen.

IS YOUR STOMACH CLOGGED WITH WASTE?  
The People's Drug Store Guarantees to Return the Money if Mi-o-na Does Not Relieve You

"It's a pleasure to sell a medicine when our customers come in afterward and tell us how much good it has done them," said C. Wm. Beales, the popular druggist to a Gettysburg man, "and that is why we like to sell and recommend Mi-o-na, the dyspepsia remedy. We have so much faith in this article that we are going to guarantee it in the future, and will return the money to any purchaser of Mi-o-na whom it does not help. That may seem rash but our customers have said so many good words in its favor that we do not expect to have many packages returned.

"Anyone who has dyspepsia, whose food does not digest well, and who has to take thought as to what he can eat, and when, can leave 50 cents deposit at our drug store and take home a box of Mi-o-na and if the remedy does not regulate his digestion, and help his dyspepsia he can withdraw his money."

This shows great faith in the merit of Mi-o-na. It is really a most unusual medicine and the rapid increase of sales since The People's Drug Store introduced it in Gettysburg shows that it does all that it is claimed to do—relieves dyspepsia, regulates digestion and enables those who use it to eat just what they want with no fear of trouble after.
